TITLE 14 MINISTRY OF EDUCATION
CHAPTER 1
RULEMAKING PROCEEDINGS

14-1-1 Reference. Section 347. Rules and Regulations. (Public School Systems Act 2013)

14-1-2 Notice of Proposed Rulemaking

- (a) When pursuant to a petition or upon its own initiative, the Ministry proposes to adopt, amend or repeal a rule, the Ministry shall give thirty (30) days notice of a proposed rule by posting notice of the rule in the office of the Chief Secretary, in the office of each department head of the Public Service, at the Public Administration Office, at the office of the Chief Secretary's Representative on Ebeye, at the Courthouse on Majuro Atoll, and at the Council Buildings on Majuro Atoll and Ebeye Island, Kwajalein. The notice shall also be read over the radio broadcasting station at Majuro Atoll on five (5) consecutive calendar days within fifteen (15) days after it is posted.
- (b) Such notice shall be in English and Marshallese and shall include:
 - (1) a statement of either the terms of substance of the proposed rule or a description of the subject and issues involved;
 - (2) reference to the authority under which the rule is proposed;
 - (3) the time when, the place where, and the manner in which interested persons may present their views thereon; and
 - (4) the location where copies of the proposed rule will be available for reading or distribution to the public.

14-1-3 Further Notice of Rulemaking

In any rulemaking proceeding, the Ministry shall:

- (a) make copies available for reading at the Office of the Chief Secretary, the Office of the Chief Secretary's Representative on Ebeye, and at the Public Service Commission Office;
- (b) afford all interested persons reasonable opportunity to submit data, views, or arguments, in writing;
- (c) conduct a public hearing on a proposal rule if requested by the Nitijela, a Committee of the Nitijela, or another government agency, considering fully all written and oral submissions concerning the proposed rule; and
- (d) if requested to do so by an interested person prior to an adoption or within thirty (30) days after adoption, issue a concise statement of the basis upon which the rule was adopted or rejected.

14-1-4 Conduct of Hearing

- (a) Unless otherwise specifically directed by the Nitijela, all public hearings shall be held on Majuro when the entire Republic or a major portion thereof is affected by the proposed adoption, amendment, or repeal of a rule. When a matter affects only a specific atoll other than Majuro, then the hearing shall be held in that atoll.
- (b) Each hearing shall be presided over by a member of the National Board of Education or a representative of the Ministry of Education as approved by the Commissioner of Education. The hearing shall be conducted in a way as to afford interested persons reasonable opportunity to be heard on matters relevant to the issues involved and to obtain a clear and orderly record. The presiding officer shall have the authority to administer oaths or affirmations and to take other actions that are necessary to the orderly conduct of the hearing.
- (c) Each hearing shall be held at the date, time, and place set in the notice of hearing, but, thereafter, may be continued by the presiding officer from day to day at the same time and place or to a later date or to

a different place without notice other than the announcement at the previous hearing of a later date or different place.

- (d) At the beginning of the hearing, the presiding officer shall read the notice of hearing and shall then outline briefly the procedure to be followed. Evidence shall then be received with respect to the proposed rulemaking in the order prescribed by the presiding officer.
- (e) All interested persons, organizations or agencies shall be given a reasonable opportunity to offer evidence, data, views, or arguments with respect to the proposed rulemaking. Every witness shall, before proceeding to testify, state the witness' name and whom the witness represents, if any, at the hearing, and shall provide other information respecting the witness' appearance as the presiding officer may request. The presiding officer shall confine the evidence to the questions before the hearing but shall not apply the technical rules of evidence. Every witness shall be subject to questioning by the presiding officers, other members of the National Board of Education and representatives of the Ministry of Education present. Cross-examination by private persons shall not be permitted except with the express permission of the presiding officers.
- (f) Persons, organizations, or agencies may also file with the Commissioner within the time period specified in the notice of proposed rulemaking a written protest or other comments or recommendations in support of or in opposition to the proposed rulemaking.

14-1-5 Cabinet Action

Upon adoption by the Ministry or the Minister's designee, the Ministry shall file a certified copy of the rule with the Cabinet, by delivery to the Clerk of the Cabinet. The Cabinet shall act to approve or disapprove the rule within twenty (20) consecutive calendar days after receipt by the Clerk of the Cabinet. If the Cabinet does not approve or disapprove the rule within the twenty (20) day period, the rule shall be approved as if the Cabinet had acted affirmatively.

14-1-6 Emergency Rulemaking

If there is clear, present, substantial, and imminent danger to the public health, safety, or welfare, requiring adoption of a rule upon fewer than thirty (30) days notice, the ministry upon stating, in writing, the nature of the danger, may, unless disapproved by the Cabinet, proceed without prior notice or hearing, or upon abbreviated notice and hearing, to adopt an emergency rule. The emergency rule shall be void one hundred twenty (120) days after adoption or upon notice of the termination of the emergency by the agency or the Cabinet, whichever occurs earlier, filed with the Registrar of Corporations and the Chief Secretary. An emergency rule shall be delivered to the Cabinet as soon as possible, or in any event, within twenty-four (24) hours after adoption.

14-1-7 Effective Date of Rule

A rule adopted by the Ministry shall be effective only after it has been approved by the Cabinet and notice of the Cabinet's approval has been filed with the Chief Secretary, the Registrar of Corporations, and the Ministry unless a later date is required by statute or specified in the rule.

14-1-8 Publication of Rule

The Ministry shall publish copies of the rule for distribution to all schools.

14-1-9 Petitions For Adoption, Amendment, or Repeal of Rules

An interested person may petition the Commissioner of Education requesting the promulgation, amendment, or repeal of a rule. Within thirty (30) days after receipt of a petition, the Ministry shall either deny the petition in writing, stating its reasons for the denial or shall convene a public hearing on the

petition, and within fifteen (15) days thereafter, notify the petitioner of the Ministry's action in writing. Petitions for declaratory ruling shall be conducted pursuant to Section 2 of P.L. 1979-23.

Any student or teacher contracting a communicable disease may be excluded from school until a physician certifies that the student or teacher may return to school.

14-13-3 **School Health Program.** The Public School System with the assistance of the Ministry of Health shall coordinate a program to promote good health in the schools. Each school, under the direction of the school health coordinator, shall routinely be required to complete a physical examination program to identify student health problems and make referrals and follow-ups as needed.

14-13-4 **School Safety.**

- (a) The Public School System shall ensure that at least one person on each school campus shall be a certified first aid provider to provide immediate attention to the health needs of the students. Attention shall be given to the personal safety of each student while on campus or while engaged in school-connected activities off-campus.
- (b) Procedures regulating off campus visitors to school grounds as well as those designed to safeguard students and staff during emergency situations (e.g., fire) shall be established in student handbooks.

14-13-5 **Physical Examination.** All activities and procedures relating to school physical examinations shall be coordinated with the Ministry of Health to promote a healthy environment in the schools. Students, teachers, and supporting staff of the Public School System shall be required to take an annual physical examination; and a blood test examination which shall be conducted every three (3) years. At a minimum, the physical examination shall include dental and eye screening as well as TB, Leprosy and Hepatitis screening and clearance.

- (a) All Kindergarten students shall be required to complete a immunization record and a physical examination prior to their enrolling in school (MOE FORM 008-13);
- (b) Every grade nine and transfer student shall be required to complete a physical examination (FORM 008-13) before admission;
- (c) Every student in grades K, 3, 6, and 9 shall be required to complete a physical examination;
- (d) every newly hired teacher and support staff shall be required to complete a physical examination annually, and a blood test examination every three years (MOE FORM 009-13); and
- (e) all teachers and PSS staff shall be required to have TB test and clearance annually (check with hospital).

TITLE 14 MINISTRY OF EDUCATION
CHAPTER 14
STUDENT CONDUCT

14-14-1 Reference. Section 323. Student Conduct. (P.L. 2013-23).

14-14-2 General Policy.

- (a) The Ministry shall establish rules for dealing with breaches of appropriate student conduct;

14-14-4 Dress and Appearance.

- (a) Students are expected to meet acceptable community and health standards of dress and appearance; and are properly groomed and suitably attired all the time.
- (b) Students shall be advised to leave the school campus if found to be unsuitably attired or offensive; and,
- (c) Parents shall be asked to take their child home otherwise.

14-14-5 School Dress Code. All public schools are required to have school uniforms.

14-14-6 Applicability. The provisions of this chapter apply to all students enrolled in the public school during the regular school year or summer session regardless of age with the addition that, outside of the hours when school is in session, boarding students are subject to the dormitory rules developed by the school and agreed upon through written consent by the parent(s) or legal guardian(s) of boarding students.

14-14-7 Disciplinary Actions: Authority. (a) Suspensions exceeding ten (10) days or suspensions which will result in the student being suspended for more than a total of ten (10) school days in any single semester,

disciplinary transfers, dismissals, and extension of crises suspensions may be imposed by the Commissioner of Education. Crises suspensions and suspensions of fewer days may be imposed by the principal or designee.

14-14-8 Prohibited Student Conduct: Penalties. (a) the following prohibited conduct applies to all students in the Public School System during school hours, on school premises, or during Ministry- or school-supervised activities on or off school property:

- (1) Class A offenses; unlawful conduct:
 - A. Assault
 - B. Burglary
 - C. Possession or use of dangerous weapons, substances or instruments
 - D. Possession, use or sale of Drugs or Alcohol
 - E. Robbery
 - F. Murder
 - G. Sexual Offense

- (2) Class B offenses; unlawful conduct:
 - A. Disorderly conduct
 - B. Harassment
 - C. Theft
 - D. Trespassing

- (3) Class C offenses; MOE prohibited conduct:
 - A. Class cutting
 - B. Insubordination
 - C. Leaving campus without consent
 - D. Smoking, use of tobacco substances
 - E. Truancy

- (4) Class D offenses; school prohibited conduct:
 - A. Contraband
 - B. Any other conduct as may be prescribed and prohibited by the school rules.

14-14-9 Prescribed Disciplinary Procedures.

- (a) No punishment amounting to serious discipline shall be imposed for violation of any individual school rule as a class D offense. However, serious discipline due process procedures shall apply in cases involving violation of school rules resulting in a student being crises suspended more than a total of ten days in any single semester. Individual school rules shall be published or made available to students and parents and for inspection at the school office.

- (b) Any student found to be in possession of a firearm shall be dismissed from school for not less than a one school year period. The Commissioner of Education, on a case by case basis, may modify the punishment of a student found to be in possession of a firearm.

- (c). Disciplinary action shall be taken for other class A and class B offenses in grades seven through twelve in accordance with procedures established under this chapter and within the following options as determined by authorities stipulated in Section 14-14-7:
 - (1) Detention
 - (2) Crises suspension
 - (3) Suspension of one to ten days
 - (4) Suspension of eleven or more days
 - (5) Disciplinary transfer; or
 - (6) Dismissal

- (d) Disciplinary action shall be taken for class C and class D offenses in grades seven through twelve in accordance with procedures established under this chapter and within the following options determined by the authorities stipulated in Section 14-14-7:
 - (1) Reprimand and warning
 - (2) Parent conferences
 - (3) Referral to an alternative education program
 - (4) Detention
 - (5) Crises suspension
 - (6) Suspension of one to ten days
 - (7) Suspension of eleven or more days
 - (8) Dismissal
- (e) Disciplinary action shall be taken for class A through class D offenses in grades kindergarten through six in accordance with procedures established under this chapter and within the option provided in subsection (b) of this section as determined by school authorities.
- (f) Students shall be counseled in addition to any disciplinary action taken under subsection (a) (b) and (c) of this section.
- (g) The disciplinary options of subsections (d), (e) and (f) shall be construed as disciplinary actions within a school year; provided, disciplinary actions may be carried over to the ensuing school year if the offense is committed within twenty school days from the last instructional day for students in the school year.

14-14-10 (a) Crises Suspension

- (1) A principal or designee, in an emergency, may crises suspend a student immediately upon preliminary investigation and finding that the student's conduct presents a clear threat to the physical safety of self or others or is so extremely disruptive as to make the student's immediate removal necessary to preserve the right of other students to pursue an education free from undue disruption. However, if the total number of days in any single semester for crises suspension exceeds ten days, the due process procedures of section 14-14-11 shall apply. Prior notice for crises suspension shall be by telephone, if feasible.
- (2) Immediately after making a crises suspension, the principal or designee shall initiate the investigation and hearing procedures under section 14-14-11, unless it is determined that the suspension exceeding ten days, disciplinary transfer or dismissal need not be administered. Before commencing the investigation, schools shall make a good faith effort to notify parent of an impending school investigation of an offense allegedly committed by the student.
- (3) A written notice of the crises suspension shall be personally delivered or mailed to the student and the parent immediately upon completion of an investigation. The notice shall contain the following statements:
 - (a) A statement of the specific acts allegedly committed by the student which form the basis of the action;
 - (b) The rule allegedly violated;
 - (c) A statement of the action; and
 - (d) That the parent may request a conference with the principal or designee. A copy of the notice shall be mailed to the Commissioner of Education. In addition to the notice required by this subsection, the principal or designee shall attempt to confirm the notice by telephoning the parent.
- (4) A student who is the subject of the crises suspension shall be permitted to resume attendance at school pending a hearing as soon as the exclusion of the student is not longer necessary under subsection (a) of this section. A crises suspension shall not continue for more than ten school days, except when extended by the Commissioner of Education during an appeal hearing.

(b) Suspension

- (1) Whenever a principal or designee has reason to believe that a student has engaged in activity warranting the imposition of suspension, the principal or designee shall immediately conduct or cause to be conducted an informal investigation of the activity. Upon preliminary investigation and findings, schools shall make a good faith effort to notify the parent of the school investigation of an offense allegedly committed by the student.
- (2) The principal or designee shall give to the student notice of the charges against the student. If the student denies the charge, the principal or designee shall indicate to the student what evidence school authorities have. The student shall be given an opportunity to present the student's version of the incident. However, where the student is unable to understand the seriousness of the charges, the nature of the proceedings, and consequences thereof, or is of such age, intelligence or experience as to make meaningful discussion difficult, the principal or designee shall request that the parent be present to participate in the discussion.
- (3) The student may be suspended if the principal or designee finds that the charges are sustained. If the total number of days in any single semester for suspension exceeds ten days, the due process procedures of Section 14-14-11 shall apply. Students who receive special education or other services under chapter 26, however, may be suspended no more than ten days during the school year, unless otherwise indicated.
- (4) The parents may be given notice of any suspension regardless of its length. Prior notice for suspension shall be by telephone, if feasible, and the written notice personally delivered or mailed to the student and the parent upon completion of the investigation. The notice shall contain the following statements:
 - (a) A statement of the specific acts allegedly committed by the student which form the basis of the action;
 - (b) The rule allegedly violated;
 - (c) A statement of the action; and
 - (d) That the parent may request a conference with the principal or designee.

A copy of the notice shall be mailed to the Commissioner of Education. In addition to the notice required of this subsection, the principal shall attempt to confirm the notice by telephoning the parent.

14-14-11. Suspension Exceeding Ten Days, Disciplinary Transfers, and Dismissal

- (a) Whenever a principal or vice principal has reason to believe that a student had engaged in activity warranting the imposition of suspension exceeding ten days, disciplinary transfer, or dismissal, the principal or vice principal shall immediately conduct or cause to be conducted an informal investigation of the activity. When conducting an investigation, the school shall make a good faith effort at the earliest point possible to notify the parent/guardian about the school's investigation of the offense allegedly committed by the student. The investigation shall be completed as quickly as practicable after the discovery of the activity constituting the offense. If the principal or vice principal elects to initiate proceedings for the imposition of serious discipline other than crises suspension, the principal or vice principal, upon completion of the investigation, shall make a written report containing a brief summary of the testimony of witnesses interviewed, any other evidence, and the principal's or vice principal's reasons for the initiation of disciplinary proceedings. This report shall be retained for the applicable school year.
- (b) If, based upon the investigation, the principal or vice-principal believes that a student has engaged in activity which constitutes a violation of this chapter, and if the principal or vice principal recommends that serious discipline other than crises suspension be imposed, the principal or vice principal shall immediately notify the Commissioner of Education, through the Asst. Secretary for Schools, and shall initiate disciplinary proceedings, after approval by the Commissioner of Education, in accordance with this section. The student or parent/guardian may appeal to the Commissioner of Education within five

calendar days of receipt of written notice about the suspension. The student shall be permitted to attend the regularly-assigned school of the student pending the appeal unless the principal finds the continued presence of the student creates a substantial risk to self or others or to the rights of other students to pursue their education free from disruption. No serious discipline other than crises suspension shall be administered until after the notice and hearing requirements of this section have been met.

- (c). Prior notice for serious discipline other than crises suspension shall be mailed by the Commissioner of Education to the student and parent or guardian immediately upon completion of the investigation required under subsection (a). The notice shall contain the following statements:
- (1) A statement of the specific acts allegedly committed by the student which form the basis of the recommended action;
 - (2) The rule allegedly violated;
 - (3) A statement of the recommended action;
 - (4) A statement that the student has a right to a hearing before the Commissioner of Education at which time the student may present evidence, call and cross-examine witnesses, and be represented by a representative of the student's or parent/guardian's choosing, including legal counsel;
 - (5) A statement that the hearing may be requested in writing or orally by personal visit or telephone call to the Commissioner; and
 - (6) A statement that unless the hearing is requested within five school days from the date of receipt of the notice, the recommended action of the principal or vice principal shall be implemented without the hearing.
- A copy of the notice shall be mailed to the principal or vice principal. In addition to the notice required by this section, the Commissioner shall attempt to confirm the notice by telephone the parent/guardian.
- (b). Upon receipt of a request for a hearing, the Commissioner shall, within ten school days, schedule a hearing and shall notify all interested parties of its date, time, and place. Written notice of the hearing by personal or mail delivery (with required return receipt requested shall be given to the parties at least fifteen (15) calendar days before the hearing. The hearing shall be conducted by the Commissioner or by an impartial person, who may be an official of the Ministry of Education, designated by the Commissioner. The hearing shall be conducted as follows:
- (1) It shall be private unless the student or parent/guardian requests that it be public;
 - (2) All parties have the right to present evidence, cross-examine witnesses and submit rebuttal testimony;
 - (3) All parties may be represented by legal counsel;
 - (4) The Commissioner or designee need not follow the formal rules of evidence;
 - (5) The Commissioner or designee shall impartially weigh the evidence;
 - (6) The Commissioner or designee may request and consider any records or information relevant to the charge or disposition, provided that the record or information shall be made available to the student and parent/guardian, or the representative of the student and parent/guardian;
 - (7) A parent/guardian, at their own expense, may make or obtain from the Ministry of Education a transcript or tape recording of the hearing only if requested for purposes of court review. The Ministry of Education shall make a transcript or tape recording of the hearing;
 - (8) No later than three school days after the close of the hearing, the Commissioner shall render a decision in writing stating clearly the action to be taken and the reasons thereof. The decision shall be mailed or personally delivered (with return receipt of delivery requested) to the student and parent/guardian or the student's attorney of record.
 - (9) In the event that the hearing is conducted by a person other than the Commissioner of Education, the recommended decision and record shall be reviewed by the Commissioner who may accept, reject, or modify the decision, provided that in the event any change is made, the Commissioner shall state the reasons therefore in writing. Any recommended or final decision shall be based solely on a preponderance of the evidence adduced in the hearing; and

- (10) Any procedure in the hearing may be modified or waived by stipulation of the parties and an informal settlement may be reached by stipulation, agreed settlement, consent order, or default.
- (c) The student or parent may appeal to the Minister of Education within ten days of the action of the Commissioner of Education which shall be deemed the date of the decision is mailed. The student shall be permitted to attend the regularly-assigned school of the student pending the appeal unless the Commissioner of Education finds that the continued presence of the student creates a substantial risk to self or others or to the rights of other students to pursue their education free from disruption. Where the student is to be excluded from school pending an appeal, the Minister of Education shall render a decision within fifteen school days of the filing of the appeal.
- (d) Upon an appeal, the decision of the Commissioner of Education and all records, evidence and pleadings in the proceeding provided for in subsection (b) of this section shall be forwarded to the Minister of Education who shall examine the evidence and render a decision on the disciplinary action. The decision shall contain a determination of each issue of fact or law that may be necessary to it. The decision shall be personally delivered or mailed (with return receipt requested) to the student and parent or attorney of record. In addition, the student and parent/guardian shall be informed of the right to file exceptions to the decision and to present argument to the Minister of Education at a specific date, time, and place.
- (e) After consideration of the exceptions and arguments presented to the Minister of Education, the Minister of Education shall review and mail or personally deliver a written decision (with return receipt requested) to the student and parent/guardian, or attorney of record within a reasonable time. The decision of the Minister of Education shall be final.

14-14-12 Discipline in Summer School. Disciplinary action against any student attending summer school shall be imposed by the summer school director and shall follow regular school year discipline policies.

14-14-13 Reporting Class A and Class B Offenses Occurring in School.

- (a) Any teacher, official or other employee of the Ministry of Education who is a witness to a class A or class B offense as defined in this chapter, or who has reasonable cause to believe that a class A or class B offense has been committed or will be committed, against a student, teacher, or official or other employee of the Ministry, or involving school property, shall promptly report the incident to the principal or designee. Nothing in this subsection shall be construed to prohibit or prevent a teacher, official, or other employee of the Ministry from reporting class C or class D offenses to the principal or designee. Disciplinary Referral form (MOE FORM 10-14) shall be used for reporting offenses.
- (b) Upon receiving a class A or class B offense report, the principal or designee shall conduct a preliminary investigation to determine as to whether the behavior requires a direct call to the police or whether the behavior can be handled through school disciplinary procedures. The principal or designee shall call the police, national or local, whenever there is perceived danger and the behavior cannot be handled by the school staff.
- (c) Upon determining that a class A or class B offense occurred, the principal or designee shall submit a school incident report to the Commissioner of Education within five days.
- (d) The principal or designee shall notify the reporting teacher, official or other employee, in writing, of the dispositive action taken on the class A or class B offense within five days after the offense is reported in accordance with subsection (c).
- (e) If the teacher, official, or other employee is dissatisfied with the dispositive action taken on the offense reported, or if no dispositive action has been taken within ten days after the offense was reported by the teacher, official or other employee, the person who made the report may appeal to the Commissioner of Education, in writing, that appropriate dispositive action be taken on the offense reported.

- (f) Within five days of receiving an appeal as provided in subsection (e), the Commissioner of Education or designee shall notify the appellant, in writing, of the dispositive action taken on the offense reported.
- (g) Incident reports filed with the Commissioner of Education shall be disposed of pursuant to guidelines established by the Ministry of Education.

14-14-14 Indemnity upon Reporting Class A and Class B Offenses. Any teacher, official, or other employee of the Ministry who in good faith reports as required under subsection 14-14-13 shall be indemnified and held harmless.

14-14-15 Failure to Report Class A or Class B Offenses Occurring in School; Penalties

- (a) Failure to report class A or class B offenses occurring in school or during school functions may result in disciplinary actions against responsible teachers, officials, or other employees of the Ministry. Disciplinary actions may include:
 - (1) Oral warning;
 - (2) Written warning;
 - (3) Suspension without pay;
 - (4) Demotion; or
 - (5) Dismissal.
- (b) Teachers, officials, or other employees of the Ministry who fail to report class A or class B offenses as required by subsection 14-14-13 may be disciplined in accordance with the regulations and procedures of the Ministry.
- (c) Any teacher, official, or other employee of the Ministry who is disciplined for failure to report class A or class B offenses occurring in school or during school functions, on or off school property, shall have the right to appeal the disciplinary action as provided by RMI law or the regulations of the Ministry of Education.

14-14-16 Prescribed Disciplinary Actions

- (a) The following prescribed student conduct applies to all students in the Public School System during school hours, on school premises, or during school/PSS supervised activities.
 - (1) Insubordination. A student found to be insubordinate shall serve detention, be suspended, or dismissed from school. Insubordination to the teaching or administrative staff is a breach of proper student conduct.
 - (2) Smoking on Campus. Smoking is not allowed on the school campus. Any student found smoking on the school campus shall be counseled with parents and serve detention upon first offense, suspended from school upon second offense. Upon third offense the student will be counseled and required to perform a supervised community project of a two-week duration.
 - (3) Alcohol or Drugs on Campus.
 - (a) Any student on campus while in possession of or under the influence of alcohol or drugs shall be counseled or placed on detention upon first offense, suspended from school upon second offense and dismissed from school upon third offense.
 - (b) The Ministry of Health Services and the Department of Human Services shall be contacted in an effort to assist the Ministry of Education in cases involving substance abuse problems.
 - (4) Theft. Any student found guilty of stealing any type of personal or school property shall be required to return said property. For act of repeating this crime, the student shall be counseled and placed on probation upon first offense; and dismissed from school upon second offense.
 - (5) Vandalism.
 - (a) Any students found guilty of vandalizing, damaging, or otherwise destroying school property or premises in the case of graffiti or defacement shall be liable for the cost of repair or emplacement of damaged property as stated in Chapter 27 (6);

- (b) Fighting, hazing or any other acts of harassment or violence shall not be tolerated on school premises; student will be counseled and serve detention, suspended and dismissed from school as appropriate upon committing third offense.
 - (c) Occurrences and possession of firearms and other potential weapons on campus shall be acted upon seriously and student may be put on crises suspension or suspension as deemed necessary.
- (6) Fighting and Violence.
- (a) Any student found engaged in a fight or any other violent action on the school grounds shall be counseled and placed on probation upon first offense and referred to the appropriate legal authority, and be dismissed from school upon second offense.
 - (b) Fighting, hazing or any other acts of harassment or violence shall not be tolerated on school premises; and
 - (c) Occurrences and possession of firearms and other potential weapons on campus shall be referred to the appropriate legal authority.
- (b) The student disciplinary policies shall be disseminated to all students and parents, and both parties shall be informed of expectations;
 - (c) The public school officials shall determine the format and scope, method and frequency of distribution based on their judgment and compassion;
 - (d) The school principal or designee and the school counselor shall ensure that written records are kept of all disciplinary actions taken. The principal shall be the custodian of the records;
 - (e) Student rights in relation to these prescribed disciplinary policies are addressed in Chapter 30, Relating to Student Rights, Responsibilities, and Due Process.

14-14-17 Disciplinary Measures.

- (a) Disciplinary measures shall be taken for offenses prescribed in Section 14-14-8, in accordance with procedures established under this chapter (MOE FORM 011-14);
- (b) School officials shall determine duration of disciplinary measures based on their judgment and compassion; and,
- (c) Measures such as detention, suspension, probation, and dismissal shall allow school officials to correct the student conduct; and shall not inflict corporal or other brutal unreasonable punishment upon any student.
 - (1) Detention shall not exceed five (5) consecutive school days;
 - (2) Crises suspension shall not exceed ten (10) consecutive school days;
 - (3) Suspension under probationary status shall be determined by the school principals although duration of one semester is deemed reasonable. The principal shall continue suspension under probation period into the next semester or school year depending upon when in the school year probation status is instituted; and,
 - (4) During the probationary period, the student shall be assisted to resolve behavioral problems through assistance from the Ministry of Health Services and the Department of Human Services.

TITLE 14 MINISTRY OF EDUCATION
CHAPTER 15
STUDENT ASSESSMENT AND PROGRESS

14-15-1 Reference. Section 321. Student Assessment and Progress. (P.L. 1991-125).

14-15-2 General Policy. The Board shall make provisions for assessing and reporting the progress of each student. Periodic reports of student progress, one for Kindergarten (MOE FORM 012-15) and another for Grade 1-12 (MOE FORM 013-15) shall be provided to students and parents.

14-15-3 Progress Report.

- (a) The purpose of the progress report, oral or written, is to provide the student and parents with information about the student's academic progress and personal and social development;
- (b) Teachers shall document student achievement and progress. The following are guidelines for determining attainment levels:

(1) Percentage of 0%-100% is to be used as the system of grading as follows:

98%-100%	=	A+
94%-97%	=	A
90%-93%	=	A-
88%-89%	=	B+
84%-87%	=	B
80%-83%	=	B-
78%-79%	=	C+
74%-77%	=	C
70%-73%	=	C-
68%-69%	=	D+
64%-67%	=	D
60%-63%	=	D-
0%-59%	=	F

- (2) For non-academic instruction in all grade levels, a satisfactory (S) and needs improvement (N) system of grading may be used at the discretion of the teacher and with the consent of the principal. In such cases, 60% course completion will be required to obtain a minimum passing grade.
- (c) Report cards shall be issued on a quarterly basis and shall provide information for students, parents, and school records regarding attainment levels in the various subject areas, number of absences and tardy, and indications of student motivation, attitude, and behavior.

14-15-4 Conference.

- (a) Each school shall schedule quarterly Parent-Teacher-Association meetings every school year which shall coincide with the issuance of report cards, and to promote parental involvement in the school; and,
- (b) Each school shall encourage the teachers to organize conferences with parents, guardians, and students for discussion of the student's progress and related school activities.

14-15-5 Public High School Entrance Examination.

- (a) A public high school entrance exam shall be administered to all eighth grade students as the means of determining placement in public high school;

- (b) The exam shall serve as the means by which qualified students are preliminarily identified. Students wishing to pursue secondary education shall comply with the provisions of Chapter 29, Relating to Secondary and Vocational Education; and,
- (c) The accumulated exam results can serve as a data base for longitudinal studies.

EDUCATION FOUNDATION

- 14-17-1 Reference.** Section 338. Education Fund. P.L. 2013-23.
- 14-17-2 Establishment of Marshall Islands Education Foundation.** The Ministry is authorized to establish an education foundation for the specific purpose of seeking private grants to improve and expand education and related services in the Republic. Such grants may include private aid, donations, investments, and other contributions.
- 14-17-3 Policies and Procedures.** Policies and procedures for the establishment and operations of the foundation shall be approved by the Minister and the Commissioner and shall include the following provisions: creation of a board of directors of at least five members; annual foundation operational costs of not more than 15% of new grants; and systems of accounting, recordkeeping, and reporting.
- 14-17-4 Foundation Fund.** Foundation funds available for immediate expenditure to improve and expand education and related services in the Republic shall be deposited in the Education Fund and subject to Sections 339-341 of P.L. 2013-23.

TITLE 14 MINISTRY OF EDUCATION
CHAPTER 18
NEEDS ASSESSMENT AND EVALUATION

14-18-1 Reference. Section 334. Comprehensive Needs Assessment Program; Section 335. Evaluation of Performance of Each School. (P.L. 2013-23).

14-18-2 General Policy.

- (a) The Public School System's educational research and evaluation program shall be used as a tool for continuing curricular and instructional reform and improvement; and,
- (b) the Public School System shall be committed to research and evaluation in order to maintain an educational system congruent with the needs of youth and society.

14-18-3 Procedure.

- (a) A uniform, nationwide evaluation system shall be established for the purpose of evaluating the performance of each school in the Republic. Such system established shall be based in part on annual testing for achievement in basic skills areas, and in part on other means as the Commissioner through the Board deems proper in order to determine student needs, ensure student progress, assess the degree to which the educational objectives have been achieved, and to monitor compliance with national standards and procedures; and,
- (b) A nationwide testing program shall be established comprising a sequence of standardized ability and achievement measures to be administered at prescribed levels of student maturity and development to provide data on each student's progress relative to the objectives of the various programs offered and, where applicable, relative to national norms.
 - (1) Grades 3, 6, 10, 12 shall be tested every year;
 - (2) An exit examination shall be given to all grade 8 students to determine eligibility for enrollment into the public high schools;
 - (3) Marshallese shall be a required course for graduation; and
 - (3) If resources are limited for testing of every student, a random selection from various schools shall be tested.

14-18-4 Needs Assessment Program.

- (a) The National Board of Education, in cooperation with Local Boards, shall from time to time but at least once every five (5) years, direct a comprehensive needs assessment program of all students in the Republic in light of national goals and standards; and,
- (b) The Board of Education shall make the results of the needs assessment program available to Local Boards, which shall review and update their particular educational goals, objectives and standards to meet those needs. All results shall be made public.

14-18-5 Data and Reports.

- (a) The Ministry shall establish a data bank from which longitudinal trends can be determined and program effectiveness and improvement gauged; and,
- (b) Summary statistics and analyses shall be compiled and shared with each Division within the Ministry of Education.

CHAPTER 19
RELATING TO GUIDANCE, COUNSELING, AND RELATED SERVICES

- 14-19-1 Reference.** Section 347. Rules and Regulations. (P.L. 2013-23).
- 14-19-2 General Policy.** Pursuant to Section 347(1) the adoption of rules and regulations are necessary, in accordance with the Marshall Islands Administrative Procedure Act 1979 (Title 6, Chapter 1 of the Marshall Islands Revised Code), to effectively implement and administer this Chapter.
- 14-19-3 Scope.** The Public School System shall provide programs of counseling, guidance, health education, and related services to help students develop academically, personally, and socially. Available community resources shall be utilized to supplement such programs provided by the Public School System.
- (a) Each school's counseling services shall accord each student the opportunity to meet with trained staff concerning personal problems or concerns;
 - (b) Each school's guidance and health education programs shall provide information, instruction and assistance for all students concerning their physical, mental and emotional well-being and education-career development;
 - (c) Each secondary school's testing services shall enable students to identify their abilities, aptitudes, interests, progress and achievement; and,
 - (d) In order to establish and maintain these programs and services, the active involvement and cooperation of the ministries of health, social services and other government and community agencies may be sought.

CHAPTER 20
RELATING TO HOMEWORK

- 14-20-1 Reference.** Section 347. Rules and Regulations; Section 321. Student Assessment and Progress. (P.L. 2013-23).
- 14-20-2 General Policy.** Homework shall be considered an integral part of a student's education, an extension of the formal in-school instruction to strengthen the student's learning and the student's acceptance of the formal classroom situation.
- 14-20-3 Relating to Homework.**
- (a) Teachers shall be encouraged to assign homework on a daily basis as may be required by the educational needs of each student and to encourage good learning habits, reinforce daily learning and promote responsibility;
 - (b) Homework must be relevant and directly related to established curriculum objectives;
 - (c) Homework shall be evaluated by the teacher and returned to the student immediately as feedback and to allow time for the parents/guardians to review it with the student;
 - (d) Compile a profile of school works at the school to be reviewed during the parent-teacher conference.
- 14-20-4 Relating to Student Assessment and Progress.** Homework shall be recorded as part of a student's academic progress, and not used against any student for disciplinary purposes.

CHAPTER 22
RELATING TO SCHOOL TRANSPORTATION

14-22-1 **Reference.** Section 326. School Transportation. (P.L. 2013-23).

14-22-2 **General Policy.**

- (a) The Public School System may provide suitable transportation to and from school for preschool, elementary, and secondary students as resources permit;
- (b) The Public School System shall adopt rules as it deems necessary to provide such transportation.
- (c) In developing such rules, the Public School System shall consider the school attendance area in which a child normally resides; the distance the child lives from the school; the availability of public carriers or other means of transportation; the frequency, regularity, and availability of public transportation; the grade level, physical disability, or special learning disability of a child; and any such other conditions and circumstances unique to an area, island, atoll, or community.

TITLE 14 MINISTRY OF EDUCATION
CHAPTER 23
CURRICULUM AND INSTRUCTION

- 14-23-1 Reference.** Section 315. Curriculum. (P.L. 2013-23).
- 14-23-2 General Policy.** The Board shall establish minimum standards for instruction, curriculum development, and content of courses at appropriate levels to promote uniform levels of achievement. Instruction in Marshallese language, customs, culture and history shall be compulsory, and shall be provided at all preschool level schools, elementary level schools, and secondary level schools.
- 14-23-3 Instructional Method.**
- (a) Instruction shall include assessment of student needs, selection of appropriate learning activities, methodologies, and materials, and evaluation of the student's attainment of objectives;
 - (b) Marshallese shall be the language of instruction and assessment in grades K-6 with the exception of the English language classes;
 - (c) In grades 7-12, the language of instruction and assessment for math and science classes shall be English and the language of instruction and assessment for social studies, health, physical education, and art shall be Marshallese;
 - (d) The language of instruction and assessment for courses not explicitly identified in the Section shall be determined by the Ministry of Education.
- 14-23-4 Curriculum**
- (a) The curriculum shall permit continuous progress along sequential lines of development in academic as well as vocational areas;
 - (b) The Ministry shall develop a course on Marshallese custom, culture and history, to be known as Marshallese Studies for the purpose of this section (Section 4: P.L. 2003-86). A Marshallese Studies class shall be required in each grade.
 - (c) The curriculum shall be of sufficient depth and breadth to meet the needs, interests, and abilities of the students in that particular community;
 - (d) The curriculum framework shall describe the Public School System's plan to support the nation's educational, political, economic, and social goals;
 - (e) The framework shall provide guidelines to assist in the evaluation of the Public School System, and to plan further improvement efforts;
 - (f) The framework shall give educators, parents, guardians, and the community a basis for reviewing what the students are learning and for judging the quality and adequacy of the curriculum;
 - (g) The framework shall provide a basis for developing curriculum materials and lessons relevant to the needs of the nation and school populations;
 - (h) The framework shall provide increased consistency in the curriculum among schools and classrooms at each grade level in all subjects;
 - (i) The framework shall provide a curriculum structure for the teachers to follow in planning classroom learning activities;

- (j) The framework shall provide a basis for the Public School System to develop or to purchase school textbooks and other supporting materials, and to construct educational facilities and materials that are consistent with the curriculum; and,
- (k) The framework shall provide guidelines to initiate research studies that further the educational goals of the society and each subject and program area.

SCHOOL FOOD SERVICES

14-25-1 **Reference.** Section 330. School Meal Program. (P.L. 2013-23)

14-25.2 **General Policy.**

- (a) The Commissioner through the Board may assist any community in establishing a school meal program under such rules and regulations as the Board may promulgate; and,
- (b) The Commissioner through the Board shall establish a meal program for all schools having dormitory facilities.

14-25-3 **Administrative Guidelines.**

- (a) The functions and responsibilities of the School Meal program rest with the Ministry of Education. The Ministry shall work with relevant ministries (e.g., Ministry of Health) and other agencies to effectively and efficiently coordinate nutritional food services for the students;
- (b) The Ministries involved shall establish guidelines, in accordance with the standards of health and cleanliness prescribed by the Ministry of Health Services, to assist any agency serving the school meal program; and
- (c) The school principal shall serve as a liaison for the Ministry of Education and the servicing agency in maintaining the standards, and complying with the regulations.

TITLE 14 MINISTRY OF EDUCATION
CHAPTER 26
SPECIAL EDUCATION

14-26-1 Reference. Section 314(g). Guidelines. (P.L. 2013-23).

14-26-2 Definitions. As used in this chapter:

- (a) “Special education” means instruction, programs or related services specifically designed or provided to assist children with disabilities in responding to or promoting equal educational programs or opportunities for all children.
- (b) “Disabled child” includes any person under twenty-one (21) years of age who, because of visual, auditory, language, behavioral, physical, or other health problems or any other conditions, as determined by the Ministry, such that the person cannot function in a normal school environment without assistance.

14-26-3 Procedures. The Ministry shall ensure that free appropriate public education shall be provided to all children with disabilities in accordance with the established special education procedures found in the Special Education Procedure Handbook relating to the following:

- (a) Identification. Parents, teachers, nurses, community leaders, or anyone knowledgeable about a child presenting physical, intellectual, emotional, or significant learning problems may refer the child for an evaluation by completing the Request for Special Education Assistance Form (MOE FORM 013-26/SE3A*). Appropriate identification of students for SPED placement purposes must follow established guidelines. Parents of students found to be in need of special education services shall sign an agreement form indicating their consent for evaluation/reevaluation (MOE FORM 014-26/SE-4).
- (b) Evaluation. Appropriate assessments are to be conducted by a child study team after parents consent to testing.
- (c) Programming. If found eligible for special education, an individualized education program plan (MOE FORM 015-26/SE-7) which includes goals, objectives and services is to be developed with parent involvement.
- (d) Placement. Students are placed in the least restrictive environment in a continuum of educational arrangements in which the individualized education program plan can be appropriately implemented, including PSS-operated special education programs. Completion of MOE FORM 016-26/SE-8 is required for placement purposes.
- (e) Monitoring. Progress of students in special education programs shall be monitored on an annual basis. Students who no longer need special education services shall be mainstreamed into regular classes. Teacher and SPED staff responsible shall sign a progress form indicating individual student progress (MOE FORM 017-26/SE-7A).
- (f) Reevaluation. The student’s progress, program, and placement are to be reviewed at least annually; and continued special education eligibility is to be evaluated at least every three years (MOE FORM 014-26/SE-4).
- (g) Procedural Safeguards. The rights of students and parents shall be protected by the Ministry’s Special education due process procedures.
- (h) Authorization to Release Records. Students records cannot be released to anyone without the consent of parents, for minor students, or of students if 18 years old or over. Completion of MOE FORM 018-26/SE-12 is required for release of student records.

CHAPTER 27
CHARTERING OF NON-PUBLIC SCHOOLS

14-27-1 Reference. Division 5. Non-public Schools. Section 331. Charter Required. P.L. 2013-23.

14-27-2 General Policy. Any person or persons desiring to establish a non-public school shall, prior to the establishment thereof, make written application for a charter to the Commissioner of Education.

14-27-3 Application

- (a) Application for a charter (MOE FORM 019-27) to establish and operate a non-public school shall be filed with the Commissioner on forms provided for this purpose and shall be accompanied by additional information as may be required. A charter fee of \$50 shall be paid upon initial application for a charter; a check for this amount may be adjusted by the Commissioner to cover inflationary costs.
- (b) The application shall be signed by the applicant or applicants and shall include assurances of compliance and/or documentation required by Section 14-26-6 through Section 14-26-12 of this chapter, and shall state in substance:
 - (1) the names of person(s) desiring to establish the school;
 - (2) the proposed location thereof;
 - (3) the course of instruction and the language in which the instruction is to be given;
 - (4) teacher qualifications;
 - (5) student enrollment or projected student enrollment; and
 - (6) such other information as the Commissioner may require.
- (c) Prior to the issuance of a charter, a school shall obtain a land lease with the necessary signatures approving the use of the land for all school buildings.

14-27-4 Review and Approval

- (a) Upon receipt of an application, the Commissioner shall refer the application to the Assistant Secretary for Policy and Planning for review, including on site inspection and interviews;
- (b) The review committee shall develop recommendations;
- (c) The Commissioner shall review the application along with the recommendations from the review committee and submit to the Board as appropriate;
- (d) Upon receipt and approval of the application, the Board shall issue a charter, in a form to be approved by the Commissioner, authorizing the establishment of the school;
- (e) A temporary charter may be approved and issued for a period of one year at the expiration of which the situation will be reviewed to see if a regular charter can be issued. At the discretion of the Commissioner, an extension of not more than two years may be granted. A regular license may be secured after completing the temporary status and after meeting all licensing requirements.
- (f) A regular charter may be approved and issued for a period not more than three (3) consecutive school years. Every regularly chartered school shall be required to renew its status prior to the completion of the last school year of the charter. No non-public school shall be established except in conformity with the Public School System Act 2013; provided that any non-public school existing in the Republic under a valid charter on the effective date of the Act shall be deemed to have complied with the requirements set forth in this chapter.

- (g) A charter shall be limited to the specific location, grades and general curriculum for which the application is approved and is valid until surrendered by the school or revoked by the Commissioner. If approval is desired for a new location, or additional locations or grades, application must be made to the Commissioner in accordance with the Public School System's standard application procedures for establishing a non-public school.
- (h) A school ceasing to operate shall so inform the Commissioner and surrender its charter. Student records are to be sent to each student's new school. If the new school is unknown, student records are to be returned to the Commissioner.
- (i) The Commissioner shall refuse to issue, revoke, or suspend a charter if a non-public school fails to meet the Board's standards, and to comply with the provisions of law.

14-27-5 Revocation or Suspension

- (a) Failure on the part of a school to maintain standards set forth in this chapter shall be considered reason for revocation or suspension of the school's charter. At least fifteen (15) working days prior to the effective date of the license revocation or suspension, the Commissioner shall notify the school principal of:
 - (1) The Board's intent and reasons thereof;
 - (2) The date the action will become effective; and
 - (3) The right to request a hearing from the Commissioner prior to the effective date of the action.
- (b) If the school principal fails to hold a hearing, the charter shall be revoked or suspended. Upon the charter's revocation, the school principal shall forward at once to the National Standards Bureau and cease all operations. Upon charter suspension, the school shall be advised, in writing, on how to proceed during the suspension period.
- (c) If the school principal requests a hearing, the effective date of the charter revocation or suspension may be modified.
- (d) The hearing decision may be appealed to the National Board whose decision shall be final.

14-27-6 Educational Philosophy, Goals and Objectives. Each school shall formulate a written statement of its educational philosophy, goals, and objectives. This statement of educational philosophy, goals and objectives shall be reviewed from time to time by the staff of each school and there shall be evidence that the statement undergoes periodic evaluation. Copies of the statement of educational philosophy, goals, and objectives shall be on file in each school at all times.

14-27-7 Educational Program

- (a) The curriculum for each private school shall include a cumulative and sequential educational program which provides a range of up-to-date knowledge and needed skills and which takes into account the unique interests, needs, and abilities of each student.
- (b) The program shall include but not be limited to the areas of language arts, both English and Marshallese, mathematics, social studies, science, art, music, health/population and physical education, to be offered at the appropriate developmental state of each individual. The program shall ensure students the opportunity to receive an education at least equivalent to minimum standards established by the Board. Instruction guides outlining the educational program shall be filed with the Public School System.
- (c) The length of the school day and length of the school year shall be determined by the private school, provided that the amount of school instruction is at least equal to the amount of instruction in the public schools (Ref. Ed. Reg. Chapter 8; 14-8-3; 14-8-4).

- (d) Each private school shall provide textbooks, reference books, general reading materials, and other instructional resources, including audio-visual materials, in quantities as will allow the requirements of the educational program to be met.
- (e) The number of teachers employed in a non-public school shall be sufficient enough to provide a quality educational program in terms of the philosophy and objectives of the school.
- (f) A sufficient variety and quantity of classroom and physical education equipment shall be provided to permit a quality educational program in terms of the philosophy and objectives of the school. The equipment shall be free of hazards and in good repair at all times.
- (g) The private school shall maintain a sound working relationship between home and school as a basis for supplementing the students' development and progress.

14-27-8 Personnel

- (a) Professional personnel (administrators, classroom teachers and substitute teachers) shall be certified by the Ministry of Education based on Chapter 36 of these Regulations (MOE FORM 020-27).
- (b) All professional personnel shall be at least eighteen years of age and have a high school diploma.
- (c) The school shall maintain a plan for providing substitute teachers which will insure adequate continuity of instruction.
- (d) A physical examination completed within the past six months by a physician licensed to practice medicine is required of all new employees, all employees returning to serve after an absence of a year or more, and all employees returning from maternity leave or from a health leave of one month or more. A report shall be filed at the employing school. (Ref : Chapter 12).
- (e) Every teacher or other person having contact with students, either acting as a volunteer or employed in or by a school, must present to the principal a currently valid tuberculosis clearance issued by the Ministry of Health. (Ref : Chapter 12).

14-27-9 Facilities

- (a) The school shall provide buildings and playgrounds which are adequate to provide a quality educational program in terms of the philosophy and objectives of the school.
- (b) Classrooms shall be sufficient in numbers, adequate in space, and conducive to carrying on the assigned activities. Libraries should be made available as funding permits. Playgrounds and physical education facilities shall be well maintained, barrier-free and safe.
- (c) The school shall be consistent with health and safety regulations regarding construction, maintenance and operation of the school facilities.

14-27-10 Student Records

- (a) The school shall comply with Public School System regulations regarding health, medical examinations and immunizations and shall maintain such records in the school file;
- (b) The school shall maintain student records comparable to those maintained by the Public School System.
- (c) A release shall be secured from the former school before a student may be enrolled in a new school.
- (d) A transcript of student records shall be made available to a new school if the student transfers.

14-27-11 Administration

- (a) Personal records may not be disclosed by any means of communication to any person other than the student, parent, or employee to whom the records pertain unless allowed (Ref : Chapter 7, Sections 3 and 4);
- (b) Students making normal progress by the end of any given school year shall be promoted to the succeeding grade or graduated. (Ref: Chapter 11).
- (c) Detention, suspension, probation, and dismissal represent the disciplinary measures allowed school officials (Ref: Chapter 13).
- (d) Periodic reports of the student's progress shall be provided for students and parents (Ref: Chapter 14, Section 3).

14-27-12 School Information

- (a) A school shall file with the Commissioner and make available to students and parents the following information:
 - 1. Name of school and its governing body and officials;
 - 2. School philosophy and goals;
 - 3. A calendar showing the legal and scheduled holidays, vacation periods, and the beginning and ending date of each term or semester;
 - 4. School policies and regulations regarding enrollment dates and entrance requirements;
 - 5. School policy and regulation relative to absences, tardies, class cuts, make-up work, and interruption for unsatisfactory work or attendance;
 - 6. School policy and regulation relative to standards of progress required of the student, promotion, the grading system of the school, the minimum achievement considered satisfactory, conditions for interruption for unsatisfactory grades or progress, a description of the probationary period, if any, and conditions of re-entrance for those students dismissed for unsatisfactory progress;
 - 7. School policy and regulation governing student conduct and conditions of dismissal for unsatisfactory conduct;
 - 8. School policy and regulation regarding health and safety;
 - 9. School policy and regulation on procurement, care, and inventory of school property;
 - 10. Charges for tuition and schedule of fees for student activities, rentals, deposits and all other charges including refund policy on tuition and fees in the event the student does not enter the school, withdraws, or is dismissed;
 - 11. Guidance in regard to parental involvement and volunteers in the school;
 - 12. An outline of the school's curriculum and/or subject;
 - 13. Documentation that students and parents have annually been informed of the attendance requirements of Section 320(1) of the Public School Systems Act 2013; attendance at public or non-public school shall be required of all children between the ages of five (5) and eighteen (18), inclusive, unless exempted from attendance by the Commissioner of Education for legitimate and compelling reasons.
 - 14. Documentation that parents have annually been informed of their responsibility to ensure that their children are attending a chartered non-public school as required by Section 332(1) of the Public School Systems Act 2013; attendance at any school established or maintained without complying with the terms of the PSS Act shall not be considered attendance at a public or non-public school as required by law.
 - 15. Documentation that parents have annually been informed of the parent's or guardian's responsibility for attendance requirements as required by Section 320(2) of the Public School Systems Act 2013; any parent, guardian, or other person having custody of a child who is found delinquent and placed on probation, may be subject to the penalties provided under the Juvenile Delinquency Act.

14-27-13 Benefits to Students.

- (a) Students of non-public schools shall receive from the National Government equal benefits with public school students provided that such benefits do not violate the Constitution;
- (b) The Commissioner shall monitor all non-public schools to determine equitability of student benefits on regular basis or as deemed necessary; and
- (c) The Commissioner shall administer the Aid to Private Schools Program as funds are allotted for this program in conjunction with this equitability.

14-27-14 Exemptions. The following exemptions shall apply to all non-public schools so long as they remain non-profit institutions:

- (a) The income, personal property and transactions of any such non-public school, exclusive of real property, shall not be subject to any tax, rate, charge or impost under any law; and,
- (b) The charge for public utilities used by any such non-public school for school purposes shall be set at a rate equivalent to the most favorable rate available to any user.

14-27-15 PSS Monitoring

- (a) Every chartered non-public school shall be subject to the supervision of the Commissioner;
- (b) Personnel of the Public School System shall make monitoring visits to each chartered non-public school periodically for the purpose of ascertaining compliance with this chapter and to render assistance as can be given in response to requests that may be filed with the PSS;
- (c) The Public School System may require regularly established non-public chartered schools to submit reports of attendance, financial statements, and other matters of concern as described by the PSS;
- (d) For benefit of the public, the PSS shall publish a current list of non-public chartered schools that have met school charter requirements as set out in this chapter.

14-27-16 Complaints

- (a) Prior to the submission of a formal complaint, the complainant shall have discussed the complaint with the school principal.
- (b) A formal complaint concerning a violation of this chapter's provisions shall be processed in the following manner:
 - 1. The complaint shall be stated in writing, signed by the complainant and accompanied by supportive evidence;
 - 2. The complaint shall be sent to the Commissioner of Education and the Policy Division for review and follow-up; and
 - 3. The complainant shall be notified of the reasons for the decision in writing.
- (c) Parents have the right to appeal any decision affecting their child to the Board of Education. Such appeals shall be in writing.

- (b) Fees collected shall be deposited into the Education Fund.

14-36-11 Transitional provision. Any teacher who does not hold a certificate from the Ministry but who has been employed by the Ministry or by a chartered non-public school as a teacher for a period of not less than two (2) school years prior to effective date of this Act as amended may continue employment as a teacher and shall not be subject to penalty as provided under section 14-36-9(a) and provided that, as condition for continued employment, the Ministry may require that the teacher complete a professional teacher improvement training program as set by the Board.

14-36-12 Expenses of the Board

- (a) Fees or charges collected under this chapter shall be paid into the Education Fund established under Chapter 39 of P.L. 2013-23;
- (b) Administrative expenses of the Board and reimbursements for reasonable travel costs shall be paid out of the Education Fund.

14-36-13 Accounts and Records

- (a) The Board shall maintain, in accordance with the procedures prescribed by the Financial Management Act, 11 MIRC 1, proper accounts and records with respect to any monies paid into the Education Fund, expenditures paid out of the Fund, and any property purchased with money from the Fund;
- (b) The accounts and records maintained under subsection (a) above shall be audited by the Auditor General as provided for under Article VIII, Section 15 of the Constitution.

14-36-14 Regulations. The Minister, with approval of the Cabinet and in accordance with the Administrative Procedures Act 1979, may promulgate rules and regulations setting out the following:

- (a) Criteria, standards and procedures for any matters relating to or under this Act as amended (refer to P.L. 2007-92);
- (b) Fees or charges for the issuance and renewal of certificates under this Act as amended (refer to P.L. 2007-92), and
- (c) Any other matters for the effective administration and enforcement of this Act as amended (refer to P.L. 2007)

TITLE 14 MINISTRY OF EDUCATION
CHAPTER 37
SCHOOL ACCREDITATION

14-37-1 Reference. Section 335. Evaluation of Performance of Each School. P.L. 2013-13.

14-37-2 Purpose

(a) The MOE School Accreditation Regulations, hereinafter referred to as "Accreditation Regulations," are hereby established to ensure that MOE schools are conducive to learning by establishing standards, criteria and procedures for a national system of public and chartered non-public elementary and secondary school accreditation.

(b) Schools that provide an environment that is conducive to learning and are in compliance with the minimum standards established by these regulations shall be accredited.

14-37-3 Statutory Requirements

These regulations are set forth pursuant to P.L 2013-23 and the Ministry of Education's rulemaking authority as set forth in Title 14, Chapter 1.

14-37-4 Definitions. As used in this chapter:

"Accreditation" means the process of evaluating a school in terms of meeting the required minimum standards and the acknowledgment thereof by RMI MOE through the issuance of a Local MOE Certificate of Accreditation.

"Elementary school" means an institution that teaches and instructs Kindergarten (K) through eighth grade (8). This is the first stage of compulsory education.

"RMI MOE" means the Republic of the Marshall Islands Ministry of Education.

"Procedures Manual" means a set of procedural guidelines established by the Commissioner of Education to include standards, criteria, rubrics and other means by which school performance will be evaluated for purposes of accreditation.

"Secondary school" means an institution for students intermediate between elementary school and college; grades freshman (9) to senior (12).

"Minister" means the head of the Ministry of Education, Representative of the RMI National Government.

"MISAT" means the Marshall Islands Standards Assessment Test.

"School" means a public or chartered non-public institution of learning at the elementary or secondary level, including a school with a religious affiliation.

"SIT" means the School Improvement Team.

"Commissioner of Education" means the individual who is appointed by the National Board of Education and granted thereby the direct authority to manage and control the daily affairs of the Ministry of Education.

14-37-5 RMI School Accreditation Regulations

The MOE School Accreditation Regulations, hereinafter referred to as "Regulations," are hereby established to provide standards, criteria and procedures for a national system of public and chartered non-public elementary and secondary school accreditation. All public and chartered non-public elementary and secondary schools in the RMI shall be accredited under the RMI School Accreditation Regulations.

14-37-6 Accreditation Criteria

Criteria for accrediting elementary and secondary schools in the RMI shall be established by the Commissioner of Education in cooperation and consultation with the Minister of Education and the Assistant Secretaries, and shall include those factors necessary to provide an adequate classroom environment conducive to learning including, but not limited to, the following:

(a) Philosophy, goals and objectives;

- (b) Organization;
 1. Atoll School Board
 2. School Improvement Team
 3. Cluster School and/or Cluster PTA
- (c) Teachers' Credentials (% of certified teachers)
- (d) School and physical facilities;
- (e) Library: (Elementary Schools: Access to reading materials)
- (f) Student counseling services (Secondary Schools)
- (g) Curricular program;
- (h) Co-curricular program (Extracurricular Activities)
- (i) Community and parent involvement;
- (j) Finance (Secondary and All Chartered schools)
- (k) Student-teacher ratio; and
- (l) Compliance with the suggested 5% academic growth on MISATs for two consecutive years.

14-37-7 MOE Schools Accreditation Procedures Manual

The Commissioner of Education, in collaboration with the Assistant Secretaries, shall develop and publish, within 30 days of the adoption of these regulations, an MOE Schools Accreditation Procedures Manual. The MOE Schools Accreditation Procedures Manual will outline:

1. Standards,
2. Criteria,
3. Rubrics,
4. Evaluation procedures,
5. Reporting requirements
6. Other administrative details necessary for the effective implementation of the MOE Schools Accreditation Regulations.

14-37-8 Accreditation Committees and School Evaluation Teams

- (a) The Commissioner of Education shall establish a National Accreditation Committee (NAC). The National Accreditation Committee shall be a standing committee. All findings shall be submitted to the NAC by the Commissioner of Education.
- (b) The role of the National Accreditation Committee shall be to evaluate Stage One findings for each school and recommend to the Commissioner whether a school meets the approved accreditation standards or not.
- (c) The National Accreditation Committee shall base its recommendations on school site evaluations by the MSET.
- (d) The National Accreditation Committee shall consist of representatives from the following groups:
 1. Commissioner of Education,
 2. Prominent member of the community,
 3. One RMI MOE staff member
- (e) The Commissioner of Education shall establish four (4) MOE School Evaluation Teams (MSET). The MSET shall be responsible for conducting on site school evaluations for the purposes of RMI MOE School Accreditation. The MSET shall consist of education specialists employed by the Ministry of Education.
- (f) The MSET shall report to the Assistant Secretary of Policy and Planning and the Accreditation Office.
- (g) The Accreditation Office, under the direction of the Secretary of Policy, Planning and Standards, shall communicate all findings of the MSET to the Commissioner of Education.

14-37-9 Compliance with the RMI MOE Schools Accreditation Regulations and Process

- (a) All public and chartered non-public elementary and secondary schools in the RMI must be accredited by the RMI MOE unless they are declared to be under Special Measures (see section 14-37-12).
- (b) All public and chartered non-public elementary and secondary schools in the RMI shall comply with the requirements of the RMI MOE Schools Accreditation Process as outlined in the RMI MOE Schools Accreditation Manual and shall make available, on the day or days of evaluation, all data, records, reports and other information outlined in the RMI MOE Schools Accreditation Manual and requested by the MSET.
- (c) Public and chartered non-public elementary and secondary schools in the RMI may not require notice of a visit for purposes of evaluation for accreditation by the MSET.

14-37-10 RMI MOE Schools Accreditation Process

- (a) The RMI MOE Schools Accreditation Process shall consist of two stages.
- (b) Stage One of the RMI MOE Schools Accreditation Process shall consist of a general inspection conducted by the MSET using standards, criteria and rubrics published in the RMI MOE Schools Accreditation Manual.
- (c) Schools which satisfy the requirements of Stage One of the RMI MOE Schools Accreditation Process and are accredited by RMI MOE shall progress to Stage Two, the self study.
- (d) Schools which do not satisfy the requirements of Stage One of the RMI MOE Schools Accreditation Process and are not accredited by RMI MOE, shall not progress to Stage Two.
- (e) Stage Two of the RMI MOE Schools Accreditation Process shall consist of a School Self Study, which shall be completed by the school improvement team and Atoll School Board and submitted for evaluation to the MSET. An accredited school is required to submit a self study report yearly. If a school fails to submit their yearly self study by the second year of being accredited, accreditation status will be revoked and the school will have to go through the Stage One process again.
- (f) The Accreditation Office, along with the Assistant Secretary for Policy and Planning, shall submit to the Commissioner of Education, Stage One and Stage Two reports on all public and chartered non-public schools by January 15th of each year. All reports, once approved by the Commissioner of Education, shall be presented to the NAC for final approval or accreditation.

14-37-11 Issuance of Certificates

- (a) A school shall be accredited if it has acquired a valid RMI Certificate of Accreditation from the Ministry of Education.
- (b) The Ministry of Education shall issue the RMI Certificate of Accreditation to schools upon completion of Stage One and that have complied with or exceeded all MOE Schools Accreditation Standards and requirements as outlined in the MOE Schools Accreditation Procedures Manual, based on appropriate reports from the Commissioner of Education and the National Accreditation Committee. The RMI Certificate of Accreditation shall be valid for a period of three years from the date of issue.

14-37-12 Special Measures

- (a) The Ministry of Education shall place under Special Measures, for a period of one year, all elementary and secondary schools that do not comply with MOE Schools Accreditation Standards and requirements, as outlined in the MOE Schools Accreditation Procedures Manual, and which do not have a plan or program in effect to remedy any defects or shortcomings within an agreed upon period of time.

- (b) A recommendation for technical assistance will be made for elementary and secondary schools placed under Special Measures. The Accreditation Office, along with the Assistant Secretary of Schools, shall consult with the respective school Principals for appropriate technical assistance to be provided by the Ministry of Education to schools placed under Special Measures. Schools placed under Special Measures will be required to produce a one-year recovery plan.
- (c) After one year under Special Measures, the MSET shall re-evaluate the schools using Stage One of the MOE Schools Accreditation Process. Schools under Special Measures which satisfy the requirements of Stage One of the MOE Schools Accreditation Process, as outlined in the MOE Schools Accreditation Manual, shall be accredited and progress to Stage Two.
- (d) Schools may remain under Special Measures for a maximum period of three years. If, after the maximum period has lapsed, a school remains under Special Measures, the Ministry of Education shall recommend that special measures, to be determined by the Commissioner of Education, be imposed upon the school staff.

14-37-13 Special Incentives

- (a) In order to provide an incentive for the improvement of schools, the Commissioner of Education may make eligibility for certain categories of scholarship and other funds contingent upon obtaining an RMI Certificate of Accreditation.

14-37-14 Timetable for Completion of the MOE Schools Accreditation Process

- (a) Stage One of the MOE Schools Accreditation Process shall be completed annually by **15th January**. The Accreditation Office, along with the Assistant Secretary of Policy and Planning, shall submit to the Commissioner of Education, all reports, in the format outlined in the MOE Schools Accreditation Manual, on all Stage One evaluations for all applicable schools.
- (b) The Accreditation Office, along with the Assistant Secretary for Policy and Planning, shall submit to the Commissioner of Education reports on all Stage Two evaluations for all applicable schools annually by the **15th January**.
- (c) MSET shall work on Stage One at schools from **August to December** of each school year and submit all findings to the Assistant Secretary Policy and Planning before January 15th of that school year. If incomplete, MSET will continue to work with schools on Stage One and submit all findings by next school year. SITs and Atoll School Boards will have until **December 15th** of each school year to complete their self study.

14-37-15 Disputes

- (a) Principals, teachers, parents or other stakeholders at any school may dispute, in writing, the determination of accreditation status of a school within one month of an issuance of an RMI Certificate of Accreditation or declaration of Special Measures by the Commissioner of Education.
- (b) Written disputes, supported by documentary evidence, shall be submitted to the Commissioner of Education through the Accreditation Office.
- (c) Upon receipt of a written dispute, the Commissioner of Education will review the documentary evidence and determine whether there are grounds for dispute.
- (d) If the Commissioner of Education finds that there are grounds for dispute, the matter will be passed to the National Accreditation Committee.

- (e) The National Accreditation Committee may uphold or reject the dispute.
- (f) If the dispute is upheld, the National Accreditation Committee shall establish a Special School Evaluation Team composed of Community and MSET members. The Special School Evaluation Team shall conduct on site evaluations of the school where the dispute arose by carrying out the procedures outlined in the MOE Schools Accreditation Manual.
- (g) The Special School Evaluation Team shall report to the National Accreditation Committee.
- (h) The National Accreditation Committee shall recommend to the MOE whether the school where the dispute arose meets the approved accreditation standards or not. The decision of the National Accreditation Committee shall be final.

Along with the above mentioned procedures, all disputes will first and foremost follow the policies as written in the MOE Rules and Regulation Title 14, Chapter 42.

14-37-16 Publication of RMI Schools Accreditation Data

- (a) The Ministry of Education shall publish school accreditation data including the findings of all School Evaluation Teams, the accreditation certificates awarded to schools, the names of all schools placed under Special Measures and other data deemed by the Ministry of Education to be in the public interest. All data will be maintained in the RMI MOE Accreditation Office.
- (b) The Ministry of Education shall publish school accreditation data on the website of the RMI Ministry of Education, on other Government Department websites and through other public information media.
- (c) The Ministry of Education shall publish Stage One school accreditation data in January and Stage Two school accreditation data in May of each year.

14-37-17 International Accreditation Process: Western Association of Schools and Colleges

- (a) The Ministry shall designate the Western Association of Schools and Colleges of the United States to engage in the process of evaluating the secondary and elementary schools in the Republic for accreditation purposes;
- (b) All secondary schools and elementary schools that are judged to be ready, based on needs assessment, shall engage in the accreditation process prescribed by the accrediting agency;
- (c) The Assistant Secretary of the Schools Division shall promulgate readiness criteria based on WASC requirements.
